Date as Postmark

Dear Old Shebbearian

I am delighted to announce the inaugural OSA Golf Day at Holsworthy Golf Club on Friday 21st August 2009.

The purpose of the day is to get together as many Old Shebbearians as possible, primarily to have an enjoyable days golf, but also an opportunity to chat with old college friends and meet this years OSA President (and Governor) Paul Sanders and the Headmaster Bob Barnes.

The day will be fairly relaxed with coffee and bacon baps on arrival, 18 holes of golf in a three-ball format with individual and team prizes and a meal afterwards, when the various prizes will be awarded. There will be a paying bar available throughout the day.

Golfers of all abilities are invited and you can either make up your own teams of three or individuals will be placed in teams on the day.

There will be a longest drive and nearest the pin prizes and any one who makes a two will be rewarded in some way!

We would like to encourage Old boys and girls, both locally and from away to support this locally-based event and would ask that those of you who hear of it first spread the word so as to attract as many participants as possible and to make this a special 'Sheb' day.

We are not doing it to make huge sums of money, but any surplus from the draw or donations will go towards a charity of the Presidents choice.

We do hope you can make it and enclose an entry form for your use should you wish to attend.

I look forward to seeing you on the day.

Regards

Lester Bird
